# Yume 7C

## Yume 7C

The Yume 7 profile featuring straight lines that allow for continuous valleys and corners, provides a seamless touch to the roof.

A look of modern simplicity with a variety of colours, Yume 7 matches the character of any home. Utilizing the innovative new FRC as base material, with two coatings - F and C Coating, Yume 7 makes any building more aesthetic and long-lasting. Yume 7 is the new age roof which adds a distinctive charm to the homes.
